SERIAL NO. 10

GENERAL INFORMATION ABOUT TENDER

1. Sealed Tenders are invited for **Supply of all kind of materials required for construction of vehicle parking shed in the university premises using Tata / JSW / Jindal metal sheets and construction of parking shed including structural framework, roofing, fabrication, transportation, loading-unloading, erection, all labour charges at Sant Gahira Guru Vishwavidyalaya, Surguja, Ambikapur (C.G.)**
2. Tender documents may be obtained from the website www.sggcg.in and use the documents for submission of tender.
3. **Cost of Tender Documents (non-refundable): Rs 2000/- (Rs Two Thousand Only)** in shape of Demand Draft to be drawn in favour of "(Registrar, Sant Gahira Guru Vishwavidyalaya, Sarguja, Ambikapur (C.G.) drawn on any Scheduled Bank payable at Ambikapur)" along with the technical bid in separate sealed envelope.
4. The University or the officers/authorities of the University takes no responsibility for any delay / loss of documents or correspondence sent by courier or post.
5. The **Earnest Money Deposit (EMD) amount Rs 20,000/- (Rs. Twenty Thousand Only)** shall be paid in shape of Demand Draft to be drawn in favour of "(Registrar, Sant Gahira Guru Vishwavidyalaya, Sarguja, Ambikapur (C.G.) drawn on any Scheduled Bank payable at Ambikapur)" along with the technical bid in separate sealed envelope. Firms/Vendors/Suppliers/Dealers with Start Up/Udyam Registration Certificate are exempted from EMD on production/submission of valid registration certificate.
6. The offer is to be submitted in sealed envelope (not staple) and all details on envelope should be properly written or pasted.
7. **The tender shall be submitted in two bid system.** The first part shall consist of the **TECHNICAL BID** without price schedule and marked on top of the envelope as "Part I -Technical Bid" along with tender no. and due date, name and address of the firm with pin code, contact number.
8. The second part shall be the **FINANCIAL BID** and marked on top of the envelope as "Part II - Financial Bid" along with tender no. and due date, name and address of the firm with pin code, contact number.
9. Each part shall be in a separate sealed envelope. Both the parts/bids shall then be put in a bigger (outer) sealed envelope. The tender no. and due date of opening, name and address of the firm with pin code, contact number must be clearly mentioned on top of the envelope. Bidder should write correct address as below: -
Registrar,
Sant Gahira Guru Vishwavidyalaya, Sarguja,
Village – Bhakura, Ramanujganj Road, Ambikapur,
District – Surguja (C.G.), PIN- 497001
10. Technical Bid will be opened first and scrutinized by the Purchase Committee as per schedule given in this tender. Bidders, who are found qualified in Part – I or Technical Bid will only be considered for opening of their financial bid as per schedule given in this tender.
11. Bidders or authorized representative of the of the bidder firm may also appear during opening of the bid with original and valid identity and authorization letter of the firm.
12. **Offers of the bidder in bids should be strictly in accordance with the tender specifications & General Instructions to the Tenderer enclosed herewith.**
13. Only Tenderers who have previous experience in the work of the nature and description detailed in this tender specification are expected to quote for this work. Offer from Tenderer who do not have proven and established experience in the field will not be considered.

14. **Tenderers are advised to visit the site location etc. and get themselves fully acquainted with the work place and prevailing working conditions before submitting the Offer.**
15. The Tenderer should accept all terms & conditions of the tender unconditionally. In case the Tenderer wants to deviate from the tender conditions, such deviations shall be clearly specified in the offer. If no deviations are given in the offer, it will be assumed that the Tenderer accepts all terms and conditions of the tender.
16. **Offers with deviations from terms and conditions of this tender are likely to be rejected.**
17. Clarifications, if any, of Technical / financial nature, can be obtained from the officer to whom the tender is to be submitted or through email or from the website www.sggcg.in before the due date of submitting the tender documents.
18. The Tenderers are required to quote for the complete scope of work with rates for all the items & no column should be left blank. Tenders for part of the work or incomplete in any respect are liable to be rejected. Tenders shall certify in the bid that rates for all the items have been quoted.
19. Order will be placed on a single bidder for the complete scope of work.
20. Penalty in the form of deduction in the payment (maximum up to 6%) will be levied by University as per relevant clauses of the Tender on account of delay, violation of contract conditions and non-performance of the bidder.
21. All documents submitted by the Tenderer in his offer shall be accompanied with a covering letter giving index of all the documents with seal of the firm and sign of the bidder or proprietor.
22. The University authority on recommendation of the purchase committee reserves the right to accept or reject any of the bid / all bids with or without deviation or cancel / withdraw the invitation for bid without assigning any reason whatsoever and in such case no bidder shall have any claim arising out of such action by the University.
23. The University authority on recommendation of the purchase committee reserves the right to reject the tender from any bidder on the basis of unsatisfactory performance of the bidder in any ongoing job or any similar job of the University in last five years, or if the bidder has been kept under hold/ blacklisted by the University or any other Govt. authority.
24. Technical Specification shall also be the part of this enquiry and applicable.
25. The bids without any of the above documents may be cancelled / rejected summarily and the documents supplied after due date / rejection will not be considered for evaluation.

=

Tender for Supply of all kind of materials required for construction of vehicle parking shed in the university premises using Tata / JSW / Jindal metal sheets and construction of parking shed including structural framework, roofing, fabrication, transportation, loading-unloading, erection, all labour charges at Sant Gahira Guru Vishwavidyalaya, Surguja, Ambikapur (C.G.)

IMPORTANT TERMS & CONDITIONS

1. Eligibility of Bidder

The bidder shall be a legally registered firm/company/proprietorship/contractor engaged in fabrication, structural works, roofing works, civil construction works, or supply and erection of prefabricated / metal shed structures, with valid statutory registrations.

2. Mandatory Documents

The bidder shall submit self-attested copies of the following documents:

- Valid registration certificate of firm/company/proprietorship.
- GST registration certificate.
- PAN card.
- Aadhaar card of proprietor / authorized signatory.
- Income Tax Return (last three financial years), wherever applicable.
- Experience certificate / similar work orders / completion certificates.
- Turnover certificate, if required.
- Audited balance sheet, if required.
- MSME / Udyam / Start-up registration certificate (if applicable).
- Affidavit of non-blacklisting.

3. Scope of Work

The scope shall include complete supply, fabrication, transportation, loading-unloading, erection, installation, fixing, fitting, labour, tools & plants, consumables, safety arrangements, and completion of vehicle parking shed work as per approved drawings/specifications.

The work shall include but not be limited to:

- Supply of Tata / JSW / Jindal approved metal roofing sheets.
- Structural steel framework.
- Columns, beams, rafters, trusses, purlins, bracing members.
- Nuts, bolts, washers, anchor fasteners.
- Welding works.
- Fabrication works.
- Primer and protective paint coating.
- Roofing installation.
- Ridge, flashing, gutters (if applicable).
- Rainwater disposal arrangements (if included).
- Transportation to site.
- Loading and unloading.
- Site shifting and stacking.
- Erection at designated locations.
- All labour charges.
- All machinery / tools / welding equipment / lifting arrangements.

4. Approved Makes

Only approved makes shall be used:

Roofing Sheets:

Tata / JSW / Jindal / Equivalent Approved Brand

SAIL / Tata / JSW / Jindal / Equivalent Approved Brand

Any substitution shall require prior written approval from the University.

5. Quality Standards

All materials shall be brand new, unused, defect-free, and conform to relevant IS/BIS standards and approved specifications.

Steel materials shall conform to applicable IS standards.

Roofing sheets shall be of approved thickness, coating, profile, and brand.

6. Site Inspection

Bidders are advised to inspect the site and assess actual conditions before quoting. No extra claim due to site conditions shall be entertained later.

7. Rates

Quoted rates shall be inclusive of:

- GST
- Transportation
- Freight
- Loading & unloading
- Labour
- Fabrication
- Welding
- Installation / erection
- Tools & tackles
- Machinery
- Safety equipment
- Insurance
- Consumables
- Taxes, duties, levies

No extra payment shall be made.

8. Tender Validity

Rates shall remain valid for **90 days** from opening of financial bid unless otherwise specified.

9. Time for Completion

The successful bidder shall complete the work within the time period specified in the work order / agreement. Delay may attract penalty.

10. Inspection & Measurement

Work shall be inspected by the University Engineer / competent authority.

Measurements shall be recorded based on actual executed work.

11. Rejection of Materials

Any defective / substandard / non-approved materials shall be rejected and replaced immediately at contractor's cost.

12. Safety Responsibility

The contractor shall ensure:

- Worker safety
- PPE usage
- Safe welding/fabrication
- Electrical safety
- Structural safety during erection
- Barricading if required

The University shall not be responsible for accidents.

13. Labour Laws Compliance

The contractor shall comply with:

- Labour laws
- Minimum wages
- ESI / EPF (where applicable)
- Workmen compensation
- Safety regulations
-

14. Payment Terms

Payment shall be made after:

- Completion of work
- Inspection
- Submission of valid invoice
- Measurement verification

Applicable deductions shall be made as per rules.

15. No Advance Payment

No advance payment shall be made unless specifically approved.

16. Performance / Security Deposit

EMD / Security Deposit shall be retained as per tender conditions.

17. Penalty for Delay

Delay may attract liquidated damages at prescribed rates.

University may impose penalty or arrange alternate execution at contractor's risk and cost.

18. Defect Liability

Contractor shall rectify defects noticed during defect liability period at no extra cost.

19. Subletting

Subletting / transfer of work without prior written approval shall not be permitted.

20. Cancellation / Termination

The University may terminate the contract in case of:

- Delay without any satisfactory reason
- Poor workmanship
- Non-compliance
- Supply of substandard material
- False information
- Breach of tender conditions

21. Risk & Cost Clause

If the contractor fails to perform, the University may execute remaining work through another agency at contractor's risk and cost.

22. Quantity Variation

Quantities may increase/decrease depending on actual requirement.
No compensation claim shall be entertained.

23. Force Majeure

Delays due to natural calamities, war, strikes, lockdown, or events beyond control may be considered subject to proof.

24. Dispute Resolution

Any dispute shall first be referred to the competent authority of the University.

25. Jurisdiction

Jurisdiction shall be restricted to competent courts at **Ambikapur / Surguja, Chhattisgarh** only.

26. University Rights

Sant Gahira Guru Vishwavidyalaya reserves the right to:

- Accept/reject any bid
- Cancel tender
- Modify scope
- Split work
- Negotiate rates
- Reject without assigning reason

27. Final Decision

Decision of the competent authority of the University shall be final and binding.

SERIAL NO. 10

Tender for Supply of all kind of materials required for construction of vehicle parking shed in the university premises using Tata / JSW / Jindal metal sheets and construction of parking shed including structural framework, roofing, fabrication, transportation, loading-unloading, erection, all labour charges at Sant Gahira Guru Vishwavidyalaya, Surguja, Ambikapur (C.G.)

Process of Submission of Tender (Two Bid System)

The tender shall be submitted under the **Two Bid System**, consisting of **Technical Bid** and **Financial Bid**, as per the following procedure:

1. Two Separate Bids

The bidder shall submit the tender in two separate sealed envelopes:

(A) Technical Bid

The **Technical Bid** shall contain the following documents:

- DD of Tender document fees.
- Valid registration certificate of the firm.
- GST registration certificate.
- PAN card of firm / proprietor.
- Aadhaar card of proprietor / authorized signatory.

Name of Bidder: _____

Address: _____

Contact No.: _____

3. Outer Envelope

Both sealed envelopes shall be placed inside **one larger sealed envelope** superscribed as:

Tender for Supply of All Kind of Materials Required for Construction of Vehicle Parking Shed in the University Premises Using Tata / JSW / Jindal Metal Sheets and Construction of Parking Shed at Sant Gahira Guru Vishwavidyalaya, Surguja, Ambikapur (C.G.)

The Tender document shall be submitted within prescribed schedule through Speed post or Courier or by hand at the following address: -

Registrar,
Sant Gahira Guru Vishwavidyalaya, Sarguja,
Village – Bhakura, Ramanujganj Road, Ambikapur,
District – Surguja (C.G.), PIN- 497001

Also mention:

- Name of bidder
- Full address
- Mobile number
- Email ID

4. Submission Method

The completed tender shall be submitted:

- By Registered Post / Speed Post / Courier / By Hand (as permitted)
- At the office/address specified in the tender notice

- Before the prescribed date and time
- Late tenders shall not be accepted.
-

5. Opening of Bids

- Technical bids shall be opened first on the scheduled date/time in presence of bidders (if permitted).
 - Financial bids of only technically qualified bidders shall be opened later.
 - Date/time of financial bid opening may be intimated separately.
-

6. Rejection Conditions

Tender may be rejected if:

- Tender submitted after due date/time.
 - Technical bid incomplete.
 - Required documents missing.
 - Financial details included in technical bid.
 - Tender not signed/stamped properly.
 - Conditional quotation submitted.
 - Multiple/ambiguous rates quoted.
 - Unsealed / improperly sealed bid.
-

7. University Rights

Sant Gahira Guru Vishwavidyalaya reserves the right to accept/reject any or all tenders without assigning any reason.

SUBMISSION OF TENDER

The Tender document shall be submitted within prescribed schedule through Speed post or Courier or by hand at the following address: -

Registrar,
Sant Gahira Guru Vishwavidyalaya, Surguja,
Village – Bhakura, Ramanujanj Road, Ambikapur,
District – Surguja (C.G.), PIN- 497001

Envelope-A (Technical Bid)

- 1) Tender form duly filled with seal and sign of the bidder.
- 2) All required documents to be submitted
- 3) DD of Tender Cost Rs. 2000.00
- 4) DD of EMD Rs. 20,000.00
- 5) Affidavit of non-blacklisting
- 6) All Annexures with seal and sign of the bidder

Envelope B (Financial bid)

Financial Bids in Envelope 'B' should be submitted by the interested bidder shall only be opened in the event of qualifying the Technical Bid. Financial Bids of the interested bidder who will not qualify for the Technical Bid shall not be opened and considered and shall be summarily rejected.

Envelop 'A' and 'B' should be kept in a separate envelope and clearly marked as "Tender for Supply of all kind of materials required for construction of vehicle parking shed in the university premises using Tata / JSW / Jindal metal sheets and construction of parking shed including structural framework, roofing, fabrication, transportation, loading-unloading, erection, all labour charges at Sant Gahira Guru Vishwavidyalaya, Surguja, Ambikapur (C.G.)".

Outer envelope will bear the address of the abovementioned address and the name and address of the bidder. If the envelope is not sealed and marked as instructed above, the Registrar or any official of the University assumes no responsibility for the misplacement or premature opening of the contents of the Proposal submitted. Bid submitted by fax, telegram, WhatsApp or e-mail shall not be entertained.

Evaluation of Technical Bids

The purchase committee shall open the Technical Bids on the Due Date, at the place specified in this tender document. The committee will subsequently examine and evaluate the Bids in accordance with the provisions set out in this tender. To facilitate evaluation of Bids, the committee or Registrar may, at its sole discretion, seek clarifications in writing from any Bidder regarding its Bid.

Financial Proposals shall be opened of only those bidders who meet the eligibility criteria of this tender document. Only bids fulfilling eligibility criteria shall be evaluated.

Evaluation of Financial Bid

The Financial Proposal shall consist of price for **Tender for Supply of all kind of materials required for construction of vehicle parking shed in the university premises using Tata / JSW / Jindal metal sheets and construction of parking shed including structural framework, roofing, fabrication, transportation, loading-unloading, erection, all labour charges at Sant Gahira Guru Vishwavidyalaya, Surguja, Ambikapur (C.G.)**

under Rate Contract for one year as described in the tender.

1. Quoting of Rates

- (a) The rates quoted shall be in Indian Rupees only. They shall either be typed or written legibly with ink and there shall not be any over writing.
- (b) The rates quoted in terms of words shall be final in case of over writing of figures. The rates quoted should be inclusive of packing, forwarding, loading-unloading, handling and other incidental charges, royalty and all taxes and duties such as GST / Excise duty and any other taxes.
- (c) The tenderer along with the stamp shall sign each page.
- (d) All rates quoted by the tenderer should be valid up to the contract period (if applicable)

2. Selection of Bidder

- (a) The Financial Proposals of the technically shortlisted Bidders as per above clause shall be only opened. Selection will be done on L1 basis. The technically qualified bidder quoting the lowest rate will be selected as successful bidder. Authority reserves the right to negotiate on L-1 or, alternately, to reject all offers if they appear to be unreasonably high.
- (b) While conducting negotiation with L1 and obtaining revised rates, authority will consider the prevailing rates in the market or other department like Chhattisgarh PWD/CGHB for the rate contract of construction material supplies.
- (c) Allotment of work will be made on need basis to the qualified bidders who will execute rate contract/agreement. The University authority reserve right to allotment of supply order to the successful bidder on the basis of their selection as per selection of 'List of Material' provided in the tender.
- (d) Rate contract agreement with the Supplier does not give guarantee of allotment of work, it will be allotted when department will require the material for the work.

3. Holding EMD &SD

In case of unsuccessful bidder, EMD will be returned after completion of rate contract agreement process with the successful bidder. EMD of successful bidder will be held 2 (Two) months additional time period after completion of rate contract agreement. Returning of Security Deposit will be done after supply of materials till agreement period.

4. Validity of Rate Contract Agreement

The rate contract agreement shall be valid for a period of 365 days (1 Year) from the date of agreement. The contract period may be extended for another one year at a time on the same terms and conditions of the agreement. The rate may be increased or decreased as per market rate and negotiation with the successful bidder before extension of rate contract agreement.

5. Rejection of Bids

The Authority reserves the right to accept or reject all or any of the bids without assigning any reason whatsoever. It is not obligatory for the authority to accept any bid or to give any reasons for their decision. The authority reserves the right not to proceed with the bidding process at any time, without notice or liability, and to reject any bid without assigning any reasons.

6. Deviations from terms and conditions

Offers with deviations in commercial terms & conditions like payment term, validity etc. is liable to be rejected outrightly.

7. Incomplete Bids

Tender which are incomplete or obscure is liable for rejection.

- 8. Signing of Bid**
Bid will be signed by the proprietor/ partner of the firm in case of partnership or director in case of company.
- 9. Ambiguities in the Conditions of Bids**
In case of ambiguities or self-contradictory terms and conditions mentioned in the bid, interpretations as may be advantageous to the Registrar may be taken without any reference to the service providers / firms.
- 10. Supply Order to the Suppliers under Rate Contract**
The Registrar or Assistant Registrar (Estate) or Estate Officer will issue "Supply Order" on requirement basis to the bidder who executed rate contract agreement with the University. The selected bidder has to supply the material as per instruction issued by the The Registrar or Assistant Registrar (Estate) or Estate Officer within stipulated time as mentioned in the order.
- 11. Place of Supply and Time Schedule**
- (a) Successful bidder will supply the ordered material at the 'Place of Supply' mentioned in the 'Work Order' issued by the Registrar or Assistant Registrar (Estate) or Estate Officer. He reserves the right to change / modify/curtail or cancel the 'place of supply' at any time before the execution of work order.
 - (b) The supply period should strictly be followed as mentioned in work order. Delay from completion period will attract violation of the terms and conditions of the tender document. If required, authority at its sole discretion may extent the completion period in case of request made by successful bidder in writing, before the date of supply. However, authority reserves sole discretion on this matter. The Authority shall have right to accept or reject the request of extension in completion period as mentioned in the letter of award.
 - (c) Non-availability of stock should be informed in writing immediately. No part supply will be allowed. Defective items or items not as per given quality brand or as mentioned in the sample if any, supplier must take back the items and replace with no additional cost.
- 12. Payment Term**
- (a) Payment shall be made (subject to penalty up to 6% of the bill amount) after delivery and acceptance of the material on submission of valid bills.
 - (b) All mandatory deductions like GST & TDS shall be made as per rules & norms of the Govt.
- 13. Refusal of Supply**
In case successful bidder fails to supply the requisite material after placing work order, the Contract shall be terminated and security deposit shall be forfeited. In such case, the name of agency is liable for being blacklisted. In addition, authority reserves the right to complete the short-supply material by engaging another bidder at the same rate/price under rate contract.
- 14. Supply after the expiry of Supply Period**
Successful bidder required to supply the material within stipulated period. In case the successful bidder fails to supply the entire/ part supply within stipulated completion period, Authority, at its discretion, may grant extension for the period short supply portion. Such extension if granted shall be subject to following conditions:
- (a) All Government Taxes/Levies, as applicable, on the date of invoicing of shall be payable by the bidder.
 - (b) Notwithstanding any stipulation in contract for increase in price on any other ground, no such increase in Government taxes / levies etc. which takes place after completion date stipulated in the contract shall be admissible on such of the said items as are delivered after the said date.
- 15. Decrease or Increase in rate/price**
- (a) Authority shall be entitled to benefit of any decrease in price on account of reduction in statutory

levies, Custom Duty, Excise Duty, Goods & Service Tax and duties or on account of any other ground which takes place during the currency of the contract and/ or after expiry of the work date stipulated in contract. Supplier shall allow said benefit in their bills and in absence hereof shall certify that no decrease in price on account of any of these factors has taken place.

- (b) But after signing rate contract or agreement, when market rate/prices of the materials is increased by more than 10% (from the rate quoted in the tender/financial bid), then on written request of the bidder, the rate may be increased by the authority up to 10% at a time.

16. Conflict of Interest

The Bidders shall not have a conflict of interest that may affect the Selection Process (the "Conflict of Interest"). Any Bidder found to have a Conflict of Interest should be disqualified by the Authority.

17. Other term & condition

- (a) The bidder shall submit affidavit that the bidding firm has not been black-listed by any government agency. The affidavit shall be kept inside in envelop of technical bid.
- (b) The offer shall be valid for acceptance for a period of 60 days from the date of opening of price bid.
- (c) The Authority reserves the right to accept or reject all or any of the bids without assigning any reason whatsoever. It is not obligatory for the Authority to accept any bid or to give any reasons for their decision.
- (d) Offers with deviations in commercial terms & conditions like payment term, validity etc. is liable to be rejected outrightly.
- (e) The authority reserves the right to accept/reject/all offer(s) without assigning any reason.
- (f) All taxes and levies will be paid by the bidder only. No other charges such as packing, forwarding, freight insurance, loading and unloading, taxes, transportation, etc. will be allowed. All these are to be borne by the tenderer only.
- (g) The Rates quoted shall be inclusive of all authorized duties such as GST and other taxes. The rate shall be inclusive of transportation up to delivery point mentioned in the supply order. No extra claim shall be entertained by the authority after award of contract.
- (h) All the terms and conditions mentioned herein must be strictly adhered to by all the bidders. Conditional applications shall not be accepted on any ground and shall be rejected straightway.

18. Subletting of work

The successful bidder, after signing the rate contract or agreement shall not sublet the work and joint venture and consortiums are also not allowed.

19. Arbitration

All disputes and differences arising out of the agreement or any breach of contract and any dispute arises out of this tender before the agreement is signed, or after it, will be placed before the Kulapati, and the decision of the Kulapati will be final and binding for all.

20. Jurisdiction:

Any dispute or difference, arising under, out of, or about this work order shall be subject to Exclusive Jurisdiction of the competent court at Ambikapur (Chhattisgarh) only.

21. Notice

The Registrar reserves the right to modify / cancel the whole process or part thereof at any stage of the said project without assigning any reasons thereof.

SERIAL NO. 10

Tender for Supply of all kind of materials required for construction of vehicle parking shed in the university premises using Tata / JSW / Jindal metal sheets and construction of parking shed including structural framework, roofing, fabrication, transportation, loading-unloading, erection, all labour charges at Sant Gahira Guru Vishwavidyalaya, Surguja, Ambikapur (C.G.)

TENDER DETAILS

S.No.	Particulars	Details
1	Estimated Cost	₹ 20,00,000.00
2	EMD (1%)	₹ 20,000.00 in the form of DD
3	Tender Fee	₹ 2000.00 in the form of DD
4	Work Period	365 Days from the date of contract/agreement

1. Scope of Work

The scope of work shall include, but not be limited to:

- Supply of all construction materials required for construction of vehicle parking shed.
- Supply and installation of **Tata / JSW / Jindal make pre-coated galvanized metal roofing sheets.**
- Design, supply, fabrication, and erection of structural steel framework.
- Roofing sheet fixing with all accessories, fasteners, bolts, nuts, washers, ridge pieces, flashing, trims, etc.
- Welding, cutting, grinding, drilling, and fabrication works.
- Anti-corrosion treatment / primer / paint for structural steel members.
- Transportation of all materials to site.
- Loading, unloading, stacking, and handling.
- Erection and installation at designated university premises.
- Labour, tools, tackles, machinery, scaffolding, and safety arrangements.
- Debris removal and site cleaning after completion.
- Any incidental works required for satisfactory completion.

The scope of work under this tender shall include the **complete supply, fabrication, transportation, loading-unloading, erection, installation, labour, tools & tackles, and all incidental works required for construction and completion of vehicle parking shed(s) at designated locations within the University premises, as directed by the competent authority.**

The work shall include, but shall not be limited to, the following:

1. Supply of Materials

Supply of all materials required for construction of vehicle parking shed, including but not limited to:

- Tata / JSW / Jindal brand metal roofing sheets or equivalent approved brand.
- Structural steel sections such as:
 - MS / GI columns
 - Beams
 - Trusses
 - Rafters
 - Purlins
 - Bracing members

- Channels
- Angles
- Square / rectangular hollow sections
- Pipes / tubes
- Plates
- Flats
- Nuts, bolts, washers, anchor fasteners, clamps, cleats, brackets, and fixing accessories.
- Welding rods / electrodes and fabrication consumables.
- Primer, anti-corrosive paint, synthetic enamel paint, protective coatings.
- Ridge pieces, flashing, gutters, rainwater outlet arrangements (if applicable).
- Foundation anchor bolts / embedded fixing components where required.
- Any other material necessary for proper completion of the parking shed work.

2. Fabrication Work

The contractor shall carry out complete fabrication work including:

- Cutting
- Drilling
- Bending
- Shaping
- Welding
- Grinding
- Jointing
- Assembly of structural members

All fabrication shall be executed as per approved design, standard engineering practice, and site requirements.

3. Structural Framework

The work shall include complete structural framework for parking shed construction, including:

- Fabrication and erection of supporting columns
- Beams
- Trusses
- Purlins
- Bracings
- Structural supports
- Base plate fixing
- Connection plates
- Anchor fixing

The structural system shall be designed to ensure adequate strength, stability, and durability.

4. Roofing Work

The contractor shall provide complete roofing work including:

- Supply of approved roofing sheets
- Cutting and fitting
- Fixing of roofing sheets with appropriate fasteners
- Sheet overlapping
- Waterproof fixing arrangements
- Ridge capping
- Side flashing
- Rainwater protection arrangements

Roofing shall be properly aligned, leak-proof, and securely fixed.

5. Transportation

The scope includes:

- Transportation of all materials from supplier/manufacturer/workshop to the University site
- Freight charges
- Transit handling
- Delivery at designated work location

All transportation charges shall be borne by the contractor.

6. Loading, Unloading, and Handling

The contractor shall arrange:

- Loading at source
- Unloading at site
- Internal shifting
- Handling
- Stacking
- Safe storage of materials

No separate payment shall be made for these activities.

7. Erection and Installation

The contractor shall execute:

- Erection of fabricated structural members
- Alignment
- Leveling
- Fixing
- Bolting
- Welding at site
- Final installation of shed structure

All erection work shall be completed safely and professionally.

8. Labour and Machinery

The contractor shall provide all necessary:

- Skilled labour
- Semi-skilled labour
- Unskilled labour
- Supervisors
- Fabricators
- Welders
- Helpers
- Operators

Along with:

- Welding machines
- Cutting machines
- Drilling machines
- Lifting equipment
- Scaffolding
- Safety tools
- Measuring instruments
- All tools and tackles

9. Surface Protection / Painting

The scope includes:

- Surface cleaning

- Rust removal
- Primer application
- Anti-corrosive coating
- Protective paint application wherever required

10. Site Inspection and Measurements

The bidder shall inspect the site before quoting and satisfy themselves regarding:

- Site conditions
- Accessibility
- Working conditions
- Existing obstructions
- Space availability

No extra claim due to site conditions shall be entertained later.

11. Safety and Protection

The contractor shall ensure:

- Worker safety
- PPE usage
- Safe fabrication practices
- Safe erection practices
- Electrical safety
- Fire safety during welding
- Barricading / caution arrangements if required

The contractor shall be solely responsible for safety compliance.

12. Quality Assurance

All materials shall be:

- New
- Genuine
- Approved make
- Standard quality
- Defect-free
- BIS / IS compliant wherever applicable

The University reserves the right to inspect and reject substandard materials.

13. Completion of Work

The contractor shall complete the entire work in all respects, including finishing, corrections, rectifications, and handing over, as per instructions of the competent authority.

14. Quantity Variation

The quantities may vary depending upon actual site requirement.

The University reserves the right to increase, decrease, modify, or omit any item without any compensation claim.

15. Scope Includes All Incidental Works

Any minor or incidental work necessary for satisfactory completion of the parking shed, though not specifically mentioned, shall be deemed included in the contractor's scope without extra payment.

Approved Makes

Roofing Sheets: Tata / JSW / Jindal / Equivalent Approved Brand

Structural Steel: Tata / JSW / Jindal / Equivalent Approved Brand

ELIGIBILITY CRITERIA

The bidder participating in this tender must fulfill the following eligibility criteria and submit self-attested documentary proof in support thereof:

1. Legal Status of Bidder

The bidder shall be any of the following:

- Proprietorship Firm or Partnership Firm or Registered Company
- MSME / Udyam Registered Unit
- Authorized Fabrication / Structural Contractor / Supplier

The bidder must be legally registered under applicable laws.

Documents Required:

- Registration certificate of firm/company/proprietorship/partnership
-

2. GST Registration

The bidder must possess a valid Goods and Services Tax (GST) registration.

Document Required:

- GST Registration Certificate
-

3. PAN Registration

The bidder must possess a valid PAN.

Document Required:

- PAN Card copy
-

4. Aadhaar

In case of proprietorship concern, Aadhaar card of the proprietor / authorized signatory shall be submitted.

Document Required:

- Aadhaar card copy
-

5. Experience in Similar Works

The bidder should have experience in similar works such as:

- Vehicle parking shed construction
- Structural steel fabrication works
- Roofing sheet installation works
- Industrial shed construction
- Prefabricated shed works
- Structural erection works

Preferable minimum experience: Similar work execution in Government / PSU / University / Institutional / Private sector projects.

Documents Required:

- Work orders
- Completion certificates
- Performance certificates

Exemption:

MSME / Udyam registered firms / recognized Start-ups may be exempted from experience criteria as per applicable procurement norms, if approved by competent authority.

6. Financial Capability / Turnover

The bidder should preferably have a minimum annual turnover of **Rs. 20.00 Lakh or above during the last financial year.**

Documents Required:

- CA certified turnover certificate
OR
- Audited financial statements

Exemption:

MSME / Udyam registered firms / recognized Start-ups may be exempted as per applicable rules.

7. Audited Financial Statement

Bidder should preferably submit audited balance sheet of the latest financial year certified by a Chartered Accountant.

Document Required:

- Audited balance sheet

Exemption:

MSME / Udyam / Start-up exemption may apply.

8. Income Tax Return

Bidder should submit Income Tax Return acknowledgements for the **last three financial years**.

Documents Required:

- ITR copies

Exemption:

MSME / Udyam / Start-up exemption may be considered.

9. Non-Blacklisting Declaration

The bidder shall submit an affidavit / declaration stating that:

- The bidder has not been blacklisted / debarred / banned by any Government Department / PSU / University / Autonomous Institution / Court.

Document Required:

- Notarized affidavit
-

10. Brand Compliance

The bidder shall confirm supply of approved makes only.

Approved brands include:

Roofing Sheets:

Tata / JSW / Jindal / Equivalent Approved Brand

Structural Steel:

Tata / JSW / Jindal / Equivalent Approved Brand

The bidder shall clearly mention the make/brand proposed.

Documents Required:

- Product catalogue / brand authorization / declaration
-

11. Technical Capability

Bidder should possess adequate technical capability, manpower, tools, equipment, and resources for execution of the work.

Capability shall include:

- Fabrication manpower
- Welders
- Supervisors
- Installation team
- Transport arrangements
- Fabrication tools
- Welding machines

- Cutting machines
- Lifting equipment

Document Required (if asked):

- Self declaration / capability statement
-

12. Bid Acceptance Declaration

Bidder shall submit signed acceptance of all tender terms and conditions.

Document Required:

- Signed declaration
-

13. Tender Fee / EMD

Bidder must submit required:

- Tender Fee
- Earnest Money Deposit (EMD)

As specified in tender notice.

14. Authorized Signatory

Bid shall be signed by:

- Proprietor
OR
- Authorized
OR
- Director
OR
- Authorized signatory

partner

Document Required:

- Authorization letter / board resolution (if applicable)
-

15. Conflict of Interest

The bidder shall not have any conflict of interest that may affect fair tender participation. A declaration to this effect may be submitted.

16. University's Right

Sant Gahira Guru Vishwavidyalaya reserves the right to verify submitted documents and reject any bidder found ineligible, misleading, or non-compliant.

In short, the bidder should fulfill the following eligibility conditions:

1. Registered Successful bidder / firm / company.
2. Valid GST registration.
3. PAN card.
4. Experience in similar works such as:
 - Parking shed construction
 - Steel structural works
 - Roofing / industrial shed fabrication works
5. Completion of similar works in the last 3–5 years.
6. Financial capability with turnover certificate (if applicable).
7. Bidder should not be blacklisted by any Government / PSU / University.
8. ITR (of last 3 financial year) but exempted for MSME/Udyam registered firms/Start-ups.
9. Experience of similar works (preferable) but – exempted for MSME/Udyam registered firms/Start-ups.
10. Turnover of Rs. 20 Lakh (in the last financial year) (preferable) but – exempted for MSME/Udyam registered firms/Start-ups.

11. Balance Sheet (of last financial year) audited and certified by the CA. (preferable) but –
exempted for MSME/Udyam registered firms/Start-ups.

Documents Required

The bidder shall submit:

- ✓ Firm Registration
 - ✓ GST Certificate
 - ✓ PAN Card
 - ✓ Aadhaar (if applicable)
 - ✓ ITR
 - ✓ Experience Documents (if applicable)
 - ✓ Turnover Certificate (if applicable)
 - ✓ Balance Sheet (if applicable)
 - ✓ Non-Blacklisting Affidavit
 - ✓ Brand Declaration
 - ✓ DD of Tender Fee / EMD Proof
 - ✓ Authorization Letter (if applicable)
-

TECHNICAL SPECIFICATIONS

Tender for Supply of All Kind of Materials Required for Construction of Vehicle Parking Shed in the University Premises Using Tata / JSW / Jindal Metal Sheets and Construction of Parking Shed Including Structural Framework, Roofing, Fabrication, Transportation, Loading-Unloading, Erection, and All Labour Charges at Sant Gahira Guru Vishwavidyalaya, Surguja, Ambikapur (C.G.)

The materials, fabrication, structural components, and workmanship used in execution of the vehicle parking shed work shall conform to the following technical specifications and approved standards.

1. General Requirements

1. All materials shall be **new, unused, defect-free, and of approved make/brand.**
2. All works shall be executed as per approved design, structural requirements, standard engineering practice, and directions of the competent authority.
3. Materials shall conform to relevant **BIS / IS codes norms**, wherever applicable.
4. The contractor shall ensure structural safety, durability, weather resistance, and workmanship quality.

2. Approved Makes / Brands

Roofing Sheets

Approved makes:

- Tata BlueScope /Durashine
- JSW Steel
- Jindal
- Equivalent approved brand like Kamdhenu etc.

Structural Steel

Approved makes:

- Tata Steel
- JSW Steel
- Jindal Steel
- Equivalent approved brand

Fasteners / Anchor Bolts

Approved makes:

- Hilti / Fischer / Unbrako / TVS / Equivalent approved brand

Welding Consumables

Approved makes:

- Advani-Oerlikon
- ESAB
- D&H
- Equivalent approved brand

Paint / Primer

Approved makes:

- Asian Paints
- Berger
- Nerolac
- Indigo
- Equivalent approved brand

3. Structural Steel Framework

The structural framework shall include:

- Columns
- Beams
- Rafters
- Trusses
- Purlins
- Bracing members
- Connection plates
- Base plates
- Cleats
- Angles
- Channels
- Hollow sections
- MS pipes / RHS / SHS sections

Material Standard

Structural steel shall conform to relevant IS standards such as:

- IS 2062 (Structural Steel)
- IS 808 (Steel Sections)
- IS 800 (General Construction in Steel)

Minimum Requirements

- Straight, uniform, defect-free sections
- Proper alignment and dimensional accuracy
- No rusted / damaged material

4. Roofing Sheets

Roofing sheets shall be:

- Pre-painted galvanized steel sheets / color coated profile sheets
- High tensile roofing sheets
- Corrosion resistant
- Weatherproof

Approved Material

Tata / JSW / Jindal make only or equivalent approved brand.

Minimum Sheet Thickness

Recommended:

0.45 mm to 0.60 mm BMT (or as approved design requirement)

Coating

Minimum:

- Zinc / Al-Zinc coated
- Factory coated finish

Roofing Accessories

Include:

- Ridge cap
- Flashing
- Corner trim
- Side closures
- Sealants
- Fasteners with EPDM washers

5. Fabrication Work

Fabrication shall include:

- Cutting

- Drilling
- Welding
- Grinding
- Joint preparation
- Surface finishing

Standards

Fabrication shall conform to:

- IS 816 (Welding)
- IS 9595
- Standard engineering practice

Requirements

- Proper weld penetration
- Clean weld joints
- No cracks / porosity / weak welds

6. Fasteners and Fixing Accessories

All fixing materials shall be of approved quality:

- Nuts
- Bolts
- Washers
- Anchor fasteners
- Self-drilling roofing screws
- EPDM washer assemblies

Requirements

- Corrosion resistant
- Proper torque tightening
- Suitable for outdoor weather conditions

7. Protective Coating / Painting

All steel members shall receive protective treatment.

Surface Preparation

- Rust removal
- Cleaning
- Surface preparation

Coating

Minimum:

- One coat anti-corrosive primer
- Two coats synthetic enamel paint
- OR
- As approved by the Engineer-in-Charge.

8. Foundation / Base Fixing (If Applicable)

Where foundation anchoring is required:

- Anchor bolts
- Base plate fixing
- Grouting
- Proper alignment

As per structural design / site requirement.

9. Welding Standards

Welding shall be carried out by skilled welders.

Requirements:

- Continuous / intermittent welds as required
 - Proper edge preparation
 - Approved electrodes
 - Weld cleaning after execution
-

10. Transportation

Contractor shall provide:

- Safe transportation of all materials
- Proper loading
- Transit protection
- Unloading at site

No damaged materials shall be accepted.

11. Loading / Unloading / Handling

Includes:

- Loading at source
 - Unloading at site
 - Internal shifting
 - Safe stacking
 - Material protection
-

12. Erection and Installation

Work shall include:

- Column erection
 - Beam fixing
 - Truss erection
 - Alignment
 - Roofing installation
 - Fastener tightening
 - Structural stability verification
-

13. Safety Requirements

Contractor shall provide:

- PPE
 - Safety helmets
 - Gloves
 - Safety belts
 - Welding shields
 - Barricading
 - Fire extinguishers
-

14. Workmanship

Workmanship shall be:

- Neat
- Accurate
- Structurally sound
- Leak-proof
- Professionally executed

Poor workmanship shall be rejected.

15. Inspection and Testing

University reserves the right to inspect:

- Material quality
- Brand verification
- Thickness measurement
- Structural dimensions
- Welding quality
- Installation quality

Rejected materials shall be replaced at contractor cost.

16. Warranty / Defect Liability

Contractor shall rectify:

- Leakage
- Structural defects
- Loose fasteners
- Paint failure
- Installation defects

During defect liability period without extra cost.

17. Completion Requirement

Work shall be completed in all respects including:

- Supply
- Fabrication
- Painting
- Transportation
- Installation
- Cleaning
- Final handover

No extra payment shall be made for incidental items necessary for completion.

Approved Brand Summary

Item	Approved Make
Roofing Sheets	Tata / JSW / Jindal/Other approved brand
Structural Steel	SAIL / Tata / JSW / Jindal/ Other approved brand
Fasteners	Hilti / Fischer / Unbrako / TVS/ Other approved brand
Welding Consumables	ESAB / Advani / D&H/ Other approved brand
Paint	Asian Paints / Berger / Nerolac/ Other approved brand

TECHNICAL SPECIFICATIONS FOR ROOFING SHEETS

1. GENERAL REQUIREMENT

The roofing material proposed for construction of the vehicle parking shed shall be supplied from reputed and approved manufacturers only, namely **Tata Durashine, JSW (Colouron+ / Pragati+), Jindal or Kamdhenu (Colour Max Range), or equivalent approved brand meeting or exceeding the minimum specifications stated herein.**

The Successful bidder shall ensure that all roofing sheets are new, unused, defect-free, factory-manufactured, and conform to applicable Indian Standards and manufacturer quality specifications.

Only branded material with proper manufacturer identification, batch traceability, warranty documentation, and test certification shall be accepted.

Inferior, duplicate, substandard, or unapproved materials shall be summarily rejected.

2. TATA DURASHINE ROOFING SHEETS

2.1 Technical Specifications

The Tata Durashine roofing sheets shall comply with the following minimum specifications:

Parameter	Specification
Material	High-tensile Zinc/Aluminum alloy coated steel (Galvalume)
Thickness (TCT)	0.50 mm
Yield Strength	Minimum 550 MPa
Effective Cover Width	Nominal 1015 mm
Overall Width	Nominal 1072 mm
Standard Lengths	2440 mm, 3050 mm, 3660 mm, 4270 mm, 4880 mm
Colour Coating	25 microns top coat; 5–10 microns back coat
Zinc/Al Coating Mass	Minimum 120 GSM
Roof Slope Requirement	Minimum 5 degrees

2.2 Features & Advantages

The roofing sheets shall provide:

- Trapezoidal DURASHINE profile or approved corrugated profile.
- Excellent anti-corrosion performance.
- Resistance to harsh weather conditions.
- Anti-capillary overlap groove for leak prevention.
- Weather-resistant factory colour finish.
- Low maintenance and long service life.
- High structural strength with reduced dead load.

Approved colours may include:

- Asian White
- Cool Blue
- Bright Green
- Cherry Red
- Smart Grey

Final colour selection shall be as approved by the University.

3. JSW ROOFING SHEETS (COLOURON+ / PRAGATI+) / JINDAL

3.1 Technical Specifications

JSW roofing sheets shall conform to the following minimum requirements:

Parameter	Specification
Base Material	Aluminium-Zinc alloy steel
Composition	55% Al, 43.5% Zn, 1.5% Si
Thickness (TCT)	0.50 mm
Tensile Strength	550–770 MPa
Width	Up to 1550 mm
Effective Cover Width	Approx. 1010 mm
Length	Custom up to 12,000 mm
Coating Mass	AZ70–AZ200 GSM (AZ150 preferred)
Paint Coating	25 μ top coat; 10 μ bottom coat
Profile Types	Double Rib / Single Rib Trapezoidal / Corrugated / Tile
Standards	IS 15965 / IS 15961 / ASTM A755

3.2 Features & Advantages

The roofing sheets shall offer:

- Advanced Galvalume corrosion resistance.
- Suitability for heavy rainfall and harsh weather.
- High temperature resistance up to 315°C.
- High solar reflectivity.
- Fade-resistant, crack-resistant, peel-resistant colour finish.
- Lightweight yet structurally strong roofing performance.
- Long-term durability.

Typical approved colours:

- Brilliant Blue
- Dark Blue

or equivalent approved manufacturer shades.

Applications include:

- Residential roofing
- Commercial structures
- Industrial roofing
- Parking sheds
- Utility structures

4. KAMDHENU ROOFING SHEETS (COLOUR MAX RANGE)

4.1 Technical Specifications

Kamdhenu roofing sheets shall meet the following minimum technical requirements:

Parameter	Specification
Material Base	Pre-painted GI / Alu-Zinc Steel
Thickness	0.50 mm
Zinc Coating (GI)	Minimum Z120 GSM
Alu-Zinc Coating	AZ70 / AZ150 GSM
Effective Width	1015 mm / 1218 mm
Paint Coating	20 μ top coat; 5–7 μ bottom coat
Profile	Hi-Rib / Corrugated
Length	Custom length as required

4.2 Features & Benefits

The roofing sheets shall provide:

- High corrosion resistance.
- Long service life.
- Leak-proof anti-capillary overlap design.
- Good thermal performance.
- Lightweight construction.
- High structural durability.
- Suitability for institutional and outdoor structures.

5. COMMON INSTALLATION REQUIREMENTS

Irrespective of manufacturer, the following shall be mandatory:

Fasteners

Roofing sheets shall be fixed using:

- Self-drilling screws
- EPDM washers
- Approved sealants
- Ridge caps
- Flashings
- Closures
- Hook bolts where required

Installation

The successful bidder shall ensure:

- Proper alignment
- Leak-proof overlaps
- Manufacturer-recommended fixing method
- Correct spacing of purlins
- Wind uplift resistance
- Safe working procedures

Handling

Sheets shall be:

- Transported without bending
- Stored on raised supports
- Protected from moisture damage
- Installed without scratches/damage

6. QUALITY ASSURANCE

The Successful bidder shall submit:

- Manufacturer test certificates
- Product data sheets
- Warranty certificates
- Purchase invoices
- Batch traceability details

Random verification may be conducted by the University.
Any deviation shall attract rejection.

7. WARRANTY REQUIREMENT

Roofing sheets shall carry manufacturer-backed warranty for:

- Corrosion resistance
- Coating performance
- Paint adhesion
- Manufacturing defects

Minimum acceptable warranty:

5 Years (or manufacturer standard, whichever is higher)

8. FINAL APPROVAL

Final selection among Tata / JSW / Kamdhenu shall be subject to:

- Technical compliance
- Availability
- Approved colour

- Cost competitiveness
- approval of competent authority

The University reserves the right to approve or reject any brand if found technically unsuitable.

9. Special Terms & Conditions

1. The Successful bidder shall inspect the site before quoting.
2. Rates shall include all taxes, transportation, labour, loading/unloading, tools, machinery, scaffolding, safety equipment, and all incidental expenses.
3. No extra payment shall be made unless specifically approved.
4. University reserves the right to accept or reject any or all bids without assigning any reason.
5. Work shall be completed within stipulated time.
6. Delay may attract penalty / liquidated damages.
7. Quality of materials shall be subject to approval.
8. Inferior material shall be rejected.
9. Payment shall be released as per actual work done and verification.
10. Safety norms shall be strictly followed.
11. Successful bidder shall be responsible for damages caused during execution.
12. Disputes shall be subject to jurisdiction of Ambikapur courts.
13. Performance Security - The successful bidder shall deposit performance security as per university norms before commencement of work.
14. Warranty / Defect Liability - The Successful bidder shall provide defect liability / warranty for workmanship and supplied materials for a period of months.
15. Structural Steel - Structural steel shall conform to approved IS standards and be free from defects, bends, excessive rust, or damage.
16. Roofing Material - Only Tata / JSW / Jindal approved branded roofing sheets shall be accepted.
17. Fabrication - All fabrication shall be executed strictly as per approved design, alignment, and structural safety requirements.
18. Erection - Successful bidder shall provide all lifting tools, tackles, manpower, temporary supports, and equipment.
19. Transportation - Rates shall include full transportation cost up to site.
20. Labour - Rates shall include wages, overtime, statutory compliance, insurance, and welfare obligations.
21. Painting - Protective anti-rust coating shall be mandatory before erection or immediately after fabrication as applicable.
22. Safety - Successful bidder shall ensure complete compliance with worksite safety norms.
23. Measurement - Payment shall be based on actual measured quantities certified by Engineer-in-Charge.
24. Taxes - All applicable taxes, GST, duties, cess, and levies shall be excluded unless separately specified.

Tender No.: 3051 / Estate / Tender / 2026 Ambikapur, Date: 24/04/2026

SERIAL NO. 10

Tender for Supply of all kind of materials required for construction of vehicle parking shed in the university premises using Tata / JSW / Jindal metal sheets and construction of parking shed including structural framework, roofing, fabrication, transportation, loading-unloading, erection, all labour charges at Sant Gahira Guru Vishwavidyalaya, Surguja, Ambikapur (C.G.)

TECHNICAL BID

PART-A: BIDDER INFORMATION

1. Name of Bidder/Firm: _____
2. Address (as per Gumasta Licence): _____

3. Correspondence Address: _____

4. Contact No.: _____
5. Email ID: _____
6. Name of Authorized Signatory/Proprietor: _____

PART-B: ELIGIBILITY DOCUMENTS (Attach self-attested copies)

S. No.	Document	Number	Submitted (Yes/No)
1	Valid firm registration of the firm or proprietor.		
2	GST registration of the firm or proprietor.		
3	PAN card of the firm or proprietor.		
4	Aadhaar of the proprietor of the firm.		
5	Valid Gumasta License (Shop & Establishment Registration)		
6	ITR (of last 3 financial year) but exempted for MSME/Udyam registered firms/Start-ups.
